

PRAYER (3)

Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus.

1 Thessalonians 5:16-18 (NIV)

1. When do we pray? Tell your adult when you think is the best time to talk to God.
2. The Bible tells us to pray all the time. God never gets tired of hearing from you.
3. You should thank God every time you remember something good that He did for you. When you're nervous or scared, you should talk to Him then, too!
4. When are you going to pray?

PRAYER

Jesus, thank You for Your love. Help me to always be grateful and full of faith in You. Amen.
